Jan 20th
Mt. Greylock High School Winter Concert, featuring Ephs Out Loud “musicians in residence”

March 5th
Berkshire Symphony Family Concert in partnership with Ephs Out Loud
What are we up to?

Community Events
Throughout the year, Ephs Out Loud organizes musical performances, workshops, and events meant to form connections between Williams and the off-campus community. So far, we’ve partnered with local schools, nursing homes, housing communities, and museums.

Ephs Out Loud at Mt. Greylock
During Williams’s Winter Study term, between January 3rd and 28th, chamber groups comprised of Ephs Out Loud musicians will be “in residence” at Mt. Greylock middle school and high school, coaching and playing alongside local students.

Beginning in Spring of 2016, EOL is partnering with the Williams Center at Mt. Greylock to pilot the “Music Fellows” program, through which Williams’s music students will be matched with Mt. Greylock students for private instrumental lessons.

Berkshire Symphony Family Concert
On March 5th, 2016, the Berkshire Symphony is partnering with Ephs Out Loud to present a Family Concert. The Symphony will be performing selections from Mussorgsky’s Pictures at an Exhibition, and a range of educational and interactive activities will be provided. In the month up to the Family Concert, Williams music students will visit North Adams and Williamstown elementary schools as “Musical Ambassadors” to help prepare local students for the concert.
