About MIDWEEKMUSIC

This popular lunchtime series takes place at 12:15pm on most Wednesdays. Though we do not actually serve lunch, we do encourage everyone to bring along something to eat while they enjoy the music. MIDWEEKMUSIC gives Williams music students and faculty a flexible venue that encourages performers of all experience levels to share what they are learning in lessons or class. Pieces that might not otherwise fit into other contexts also get a hearing, and you shouldn’t be surprised if there is an occasional impromptu discussion. This forum is more informal than many of our concerts. Since you are too on your lunch break, we understand that you may not be able to stay for the entire performance. We do ask that you only enter or exit during applause. Bon appétit!
